

# Fees EA

## Training and further training leading to the title AAT

- The base price of an accreditation (incl. Certificate for school) is **980 euros** for the initial accreditation. A surcharge is individually determined according to expenditure. There are also the expenses for the 1st auditor
- The basic fee for reaccreditation (incl. School certificate) is currently **480 euros**

## further trainings that do not lead to the title of AAT

- The base price of accreditation is **300 euros** for the initial accreditation. A surcharge is individually controlled according to expenditure.
- The basic fee for reaccreditation is currently **125 euros**.
- The accreditation of a further training that has been carried out in the framework of an already recognized school by the EA is **150 euros**.

## Member Contributions

- Cooperating training: annual fee **€ 45**
- further trainings that do not lead to the title AAT: **250 € P.J. + € 5 per student**
- Training: € 500 per year + € 5 per student (up to max. 50 students)
- trainings, which also carry out further trainings: **500 € P.J. + € 5 per student** (up to 50 students.) - Regardless of whether the students participate in a training or further training

## Certificates and confirmations

- Individual certificates and confirmations 90 € per person have to be requested separately.
- from the € 90, € 60 go to the Medical Section and 30 € to the EA

## The following agreement is no longer valid!

the administrative fee for the Medical Section is

- a) up to 10 confirmations 150 euros
- b) 10-20 confirmations 300 Euro
- c) about 20 confirmations 350 Euro
- d) for individual confirmations by the Medical Section: 80 euros for each confirmation

Individual certificates and confirmations for graduates of non-accredited trainings will no longer be awarded! These graduates have to turn to a recognized training in order to get to know the criteria for obtaining an accreditation leading to a certificate from that school.
