

Dear colleagues,

To our great regret we have to inform you that the Ascension Meeting cannot take place this year either. The measures to contain the Corona spread are so restrictive that we had to take this decision. Those who have already paid the participation fee will get their money back.

But we didn't want to just give up. "Do we have to let Corona shut us down completely?" asked Odulf. So we looked for another meeting possibility, in the form of a small Ascension meeting via Zoom on Ascension Day, May 13, 2021. This way we can stay a bit connected after all.

Anyone who would like to participate, please sign up, see the questions attached below. We will then send the link for the event and an accreditation confirmation.

The event is recognized by the SVAKT and BVAKT as continuing education (5 hours à 45Min.) At the NVKT 4 accreditation points will be registered. We want to arrange it so that German and English will be spoken (possibly also Dutch). Everyone can choose in which language they feel most at home. There will be 2 improvisations at the event. If you would like to receive a recording of them, please note this on the registration form.

We hope to see you on Ascension Day!
