Newsletter Special October 2022

Dear colleagues,

Our Study Days

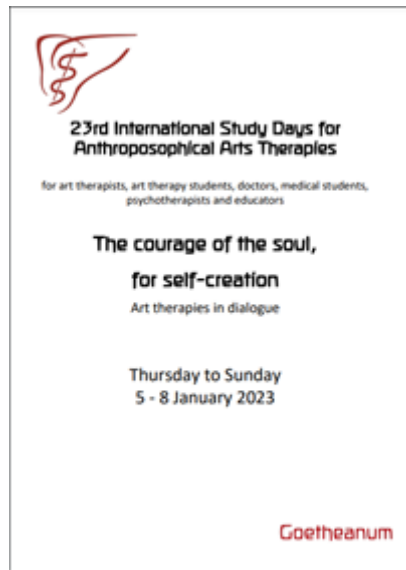

THE COURAGE OF THE SOUL, FOR SELF CREATION

from **5–8 January 2023** in site at the Goetheanum is now online with the complete programme and registration is open.

In the programme you will intentionally find many colleagues you probably don't know, we have deliberately decided to invite people from other art-therapeutic directions this year in order to get into an exciting exchange, have a look!

Please note:

1. the vegetarian lunch (intolerances can be made known at the time of registration) is included in the price, please book the dinner in addition, if desired.
2. the plenary sessions will be translated into English, Italian and French, please indicate your need when registering, but: the working groups are in the languages as offered in the agenda, if you need a translation, please arrange it yourself, e.g. through colleagues.
3. The registration for the working groups will only take place on site.
